

Dear guest,

For Hotel Emporio Acapulco the health of our guests and team members is our priority, in addition to tapping into the expertise of our consultants we also ensure that the hygiene at our facilities meets and exceeds the recommendations of local and international health authorities.

Taking into consideration the new security measures imposed by countries such as the United States and Canada against the pandemic of COVID-19, we offer you the follow information to help you prepare your return.

Starting on January 26th 2021, travelers flying to the United States or Canada from another country will be required to provide a written or electronic documentation showing they received a NEGATIVE result from a COVID-19 test conducted within 72 hours prior to their scheduled boarding.

The test must be performed using a COVID-19 molecular Polymerase Chain Reaction (PCR) test for Canada and/or SARS-Cov-2 Rapid Antigen Test for USA. Without a negative COVID-19 test, travelers will be denied boarding their flight.

The following laboratories can offer the service within the specified time:
